3 Ways to Vote

Advance Voting

Georgia law allows you to vote the week prior to Election Day. Contact your County Board of Registration for times and locations.

Absentee (By Mail or In Person)

An absentee ballot allows you to vote in your home district when you are away from home (e.g. away for college, overseas for study abroad, military).

To vote absentee, download an absentee ballot application from the Secretary of State's website at:
<http://sos.georgia.gov/ElectionCenter>, or contact the registrar in the county where you are registered to vote.

Once you complete the application you can submit the application by mail, fax, or in person.

An absentee ballot may be requested up to 180 days before Election Day. The last day to be issued an absentee ballot is the end of the business day on the Friday before the election.

Polling locations are open from 7:00 a.m. to 7:00 p.m. on Election Day. To find your poll location or your legislative districts, visit:
